

Dear Friend,

Thank you! On this **#GivingTuesday**, your support is adding up to more than six sponsorships for Hands of Peace Summer Program participants!

We not only met the \$10,000 match from Board Chair Wayne Andersen, we exceeded our goals, thanks to donors like you from more than 10 states.

I hope you had a chance to watch alumni - like Rabea, a Palestinian Citizen of Israel alumnus from 2018 (see below) - on Facebook and Instagram. Hearing their passion, commitment and gratitude attests to your power to transform young lives.

SUSTAINING IMPACT

It's not too late to have even more impact. Please consider becoming a sustaining monthly donor for as little as \$10 per month. The generosity of monthly donors, called Peace Partners, nurtures the impact our young leaders have on their communities. On Dec. 7, Peace Partners will enjoy their first quarterly Special Briefing with Hands of Peace Israeli and Palestinian Regional Managers, Ayala Shalev and Hamze Awawde. Peace Partners also give Hands of Peace

steady revenue, and you don't need to think about renewing!

USE YOUR CRYPTOCURRENCY FOR GOOD

If you're invested in cryptocurrency there's still time to join the crypto community for **#CryptoGivingTuesday**. Donating cryptocurrency directly to Hands of Peace is more tax-efficient than donating cash and can save you money.

GIVE WITH CRYPTO

Special thanks to Board member Debby Fosdick and supporters Kathleen Tornow Chai, Diana Kutlow, Berge Hovsepian, and Lisa Notter for joining me in creating Facebook fundraisers. It was a fun way to connect with friends, family, and the Hands of Peace community.

Peace, Salaam, Shalom,
