

Hello Friend,

As chairs of this year's [Hands of Peace "Walk the Talk" Benefit Week](#) and parents of Hands of Peace alumni, we have seen how valuable it is to bring together American, Israeli and Palestinian youth for dialogue, education and action. In this time of divisions and conflict, they give us hope for a better future.

Walk with us to provide 50 scholarships for the 2021 Summer Program Launchpad. You can register and [walk anywhere, anytime](#) during Benefit Week May 8 - May 19. We already have walkers signed up in Hawaii, Israel, Australia, almost every state in the U.S -- thanks to Executive Director Scott Rasmussen and his wife, Brooke, who issued a 50 State Challenge!

Or join us on Mother's Day to [walk with us in the Chicago or San Diego](#) areas - in Glenview at Glenview Community Church or in San Diego at Cardiff Elementary School on May 9 from 8 am - 12 pm.

### **T-shirt Deadlines**

Register by Saturday, May 1, and your Walk the Talk T-shirt should be in your mailbox by Mother's Day. Or you can pick up your t-shirt at the locations above on May 9. Look for details on the registration form.

### **Spread the News**

After you register, you will receive an easy to customize personalized fundraising page and a page that you can edit and send to your friends and family via email or social media posts to gather support. Lots of people giving a little really adds up to empower Hands of

Peace youth!

And wherever you walk, please post your pictures on social media and hashtag **#WalktheTalk #HandsofPeace #EmpowerYouth**. We'll share your posts to spread the word.

Thank you for "Walking the Talk" with us!

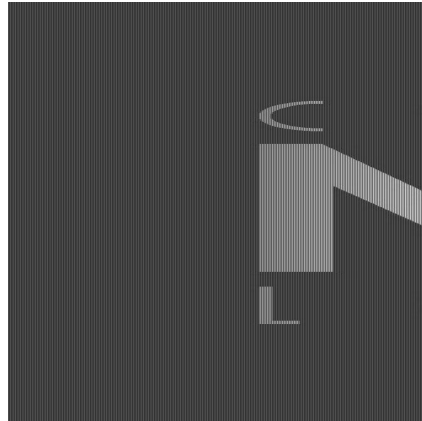

Anna Arft  
Benefit Committee Chair  
San Diego

Tina Plunkett
